

**Профиль потребления электрической энергии на основе графика ООО "Абаканэнергосбыт", исключая объемы РД для населения, за апрель 2011 г., кВт  
(условный объем потребления по профилю 1000000 кВтч)**

| Дата       | Рабочий день | H01          | H02          | H03          | H04          | H05          | H06          | H07          | H08          | H09          | H10          | H11          | H12          | H13          | H14          | H15          | H16          | H17          | H18          | H19          | H20          | H21          | H22          | H23          | H24          | Объем          | Мощность    |   |
